

**MOTION BY SUPERVISOR MARK RIDLEY-THOMAS**

**September 14, 2010**

**Tribute to Diane Watson Fee Waiver**

The Community Services Outreach Network will be hosting a "Community Day" Tribute to the Honorable Diane E. Watson on Saturday, September 25, 2010 at Kenneth Hahn Park. The tribute will serve to honor the Congresswoman for her many years of public service by allowing distinguished guests and long time friends to show their gratitude with awards, accolades and commendations. This event is one component of a three day celebration; tributes will also take place on Friday, September 24, 2010 at Tom Bradley Observatory and Sunday, September 26, 2010 at the Hollywood Palladium. Given that Congresswoman Watson was instrumental in supporting the appropriation of funds for the acquisition of Kenneth Hahn Park, it is suiting that she be honored at this important regional landmark.

**I THEREFORE MOVE THAT THE BOARD OF SUPERVISORS** reduce the facility use fee to \$1,500.00, excluding the cost of liability insurance, and reduce the parking fees to \$3.00 for 400 vehicles at Kenneth Hahn Park for the "Tribute to Diane Watson" event on September 25, 2010.
